Dear Prospective Member:

This is your membership application packet, which is designed to introduce you to the Ventura Yacht Club and guide you through the procedures involved in becoming a member. Included in this packet are a schedule of membership fees and a membership application. Please look them over carefully.

There are several membership options available to fit your individual needs. Most memberships are "Regular." A Regular member enjoys all rights and privileges afforded by the Ventura Yacht Club including the right to vote on Club business and hold elective office.

To become a Regular member, you must submit a completed application signed by three sponsors (current Club members) and include a check for \$397.00 (1/4 of the Initiation Fee). The Club's Board of Directors will review your application at its next scheduled meeting (third Thursday of each month). Upon review and acceptance by the Board, you will receive confirmation along with a statement of remaining fees due and payable. You will then be required to purchase a Membership Certificate. Your purchase can be from the Club directly (\$2,000.00) or you may purchase a Certificate from any member (in good standing) wishing to sell. A list of memberships for sale will be available to you upon acceptance of your application.

Sincerely,
